*Please visit Aberdeen Middle School's Website to see more information about each Club.*

## Book Club

Do you like to read? Do you like to play games and eat snacks? Join Book Club where you can do all three! Each month we will read a book as a group and hang out to share our opinions on it. Selections include Black-Eyed Susan nominees, graphic novels, and manga.

## Movie Appreciation Club

Movie Appreciation Club will be a chance for those who love movies to get the chance to watch classic movies, discuss movies they love, and get the chance to spend time with others who love movies as much as themselves.

## International Club

International Club is a place for students to meet and experience other cultures they normally wouldn't get the opportunity to learn about. Games, food, crafts, and more, students will get to experience countries from around the world!

## Eagle Warriors

Calling All Girls!!!

Eagle Warriors is a Bible based club where students will learn the Bible. It will be held every Monday from 3pm - 4:30pm. Whether you are just learning the Bible or have lots of knowledge, please come! Get ready to increase your knowledge of the Bible, build self-esteem, prayer, teamwork and grow in your relationship in God. A way home must be provided! Either by walking or riding. Permission slips are in Ms. Newcomb's room 150. Can't wait to see you there!!!

## Step Team

The purpose of the AMS Step Team is to create an atmosphere of unity and diversification through stepping and group creativity.

## Young Men On Tour

Young Men on Tour is a mentoring group for at-risk males.

Our mission is to support them academically, socially, and emotionally.

The goal is to assist with the awkward transition from boyhood to manhood, which is essential for their success.

## Girls Group

Girl's Group is a time for middle school girls to get together and discuss relevant topics, study hall and tutoring, guest speakers, career exploration and do extracurricular walks/crafts.

## Latin Club

Latin club will introduce students to the Latin Language, both spoken and written, and give students a better grasp on vocabulary, grammar, and Roman Culture. All materials will be supplied by the teacher.

## Tech Club

Interested in technology? Want to work SMARTER not HARDER? Are YOU that GO-TO kid who can help with almost anything tech? Are you CREATIVE and have a message to share? Do you like finding work HACKS? Want to put the WOW in your work? THEN join the Tech Club! In Tech Club, students will collaborate with others to explore and master available tech resources and tools to step up their own learning, to collaborate and create with others, and to become the "super-users" of AMS - able to teach and assist their classmates and teachers with tech issues. NO EXPERIENCE NECESSARY - just a love and curiosity for everything TECH!

## FALL Drama Club

Get ready for Fall Drama Club. This year, the club is going to prepare itself for a Fall performance of Cinderella and other short plays. Each play is about 15 minutes. Besides actors, we will need students interested in learning tech crew.

## Ecology Club

In Eco Club, we will work towards making AMS a more eco-friendly school. We will focus on spreading awareness of ecological issues in our community and school, as well as work on projects that help AMS achieve the title of being a "Green School". All students are welcome, the more support we have, the more we can do for our community, school and environment.

## STARS Club

Do you want to make a difference in your school and community?

Have you ever wanted to take a stand for responsible students while helping others?

STARS (Students Taking a Responsible Stand) is an organization that tackles issues facing middle school students such as drugs, bullying, and mental health awareness. This is done through public awareness campaigns such as Red Ribbon Week, The Health and Wellness Fair, Mental Health Awareness Month, and other student-driven initiatives. STARS club is open to all grade levels! Do YOU have any ideas that you would like to see come into action? See Ms. Whitaker for a permission slip if you are interested.

## SGA

Teaching students to participate in our school and county community, in order to have their voices heard.

## NJHS

NJHS is an afterschool activity that is available to students who have applied for and been inducted into the organization. It centers around 5 principles: Leadership, Citizenship, Scholarship, Character, & Service.
